

Commitment to repay existing debt – Mortgage Supplementary Declarations

These declarations are important. They apply to each applicant applying for a mortgage where a commitment has been made to repay some or all existing debt. The affordability of your loan and our agreement to lend will be assessed on this basis.

'you/your/yours' means the customer(s) applying for the mortgage product.

'we/us/our/ours' means Barclays Bank UK PLC and its wholly and partly owned subsidiaries and any company in which it has an interest by way of a shareholding or any company in a group of companies to which it may belong ('Barclays Group').

You make the following declarations to us:

- 1. Borrowing to repay debts** – you agree that if we make you an offer, you will repay any of your existing debts that are specified in the offer within 30 days of receipt of mortgage funds.

- 2. Repaying debt from other funds** – you agree that if we make you a mortgage offer, you will repay any of your existing debts specified in the offer prior to, or within 30 days of, receipt of mortgage funds.

Your mortgage will be assessed based on the information disclosed at application. If your circumstances or intentions change you must tell us so that your mortgage can be accurately assessed.

Failure to disclose material facts such as a change relating to your intentions regarding repayment of existing financial commitments may constitute mortgage fraud and may be a breach of the terms and conditions of your mortgage.
