

Helpful Start account support sheet

Step two: completing your identification checks

Please take this sheet into a Barclays branch and give it to a member of our staff.

Thank you for your support with this intermediary Family Springboard Mortgage application.

Please can you help complete the identification and address verification for the helper on page 4 of the Helpful Start account application form, adding in the helper's CIS numbers and hand the form back to the helper.

Please do not refer these customers to the mortgage adviser as the Family Springboard Mortgage application is being processed by their intermediary

You do not need to keep a copy of the form.
